Request: Vacate 15-foot utility easement, Block 312, Progresso, P.B. 2, P. 18(D)

Comments:

1. Sketch and legal description must be reviewed and signed off by Tim Welch, Engineering Design Manager and Tony Irvine, City Surveyor, prior to being scheduled for City Commission.
2. Separate application and fee is required for City Commission submittal. Easement vacation requests do not require Planning and Zoning Board review.
3. Sign offs are required from TECO Peoples Gas and Bell South. Letters from Florida Power and Light and Comcast have been received. If alternate easements are required, or facilities are required to be relocated, copies of such plans and documents must be submitted for review and approval by Engineering prior to scheduling for City Commission.
4. Additional comments may be forthcoming at the DRC meeting.
